We believe every youth should have the opportunity to come to camp, so there is no charge for your camper to attend camp this year!

This is only made possible through generous donations from churches and individuals like you! The week of camp costs about \$75 per camper/staff member. If you or your organization would like to make a donation to keep kids coming to Christian Youth Camp for free, it would be much appreciated!

Because of recent updates to our bunk house, we are very limited on space. **To hold your camper's spot, please fill out this application and send it to us with the \$15 registration fee.** The \$15 goes back to your camper in the form of a free camp T-shirt or credit towards our Oasis snack bar. If you would like to prepay any additional money for Oasis, you may also do it through Venmo, just add the note "Oasis money" in the notes section.

Applications and fee may be mailed it to us or completed online at www.aspirechristianyouthcamp.org and fees can be sent by check to the address above or through this Venmo account.
